1. Hello great clubs of De Anza! I am the DASB Liaison and my role is to ensure that both ICC and DASB Senate are up to date on what both groups are doing.
2. I would like to offer myself as a resource for all clubs that would like to know more about DASB Senate and what we can do to help your club succeed.
3. I invite all interested members to come to our public Senate meetings at 3:50 pm in the Student Council Chambers to learn more about what is going on in De Anza and what role DASB Senate plays.
4. This week's Senate meeting will have the President of De Anza, Brian Murphy, to discuss about the budget reduction at De Anza College; I encourage many to come listen to Mr. Murphy's presentation in order to get a better picture of De Anza's financial situation and how that might affect clubs here at De Anza.
5. Furthermore, for those who live and are registered voters in Santa Clara City, a member of the Asian Law Alliance and I will be presenting about Measure A, which would have a substantial impact on the representation of minority voters living in the area.
