SUBJECT: Student Success and Support Program Plan and Budget Review

Your college's 2015-16 Student Success and Support Program (SSSP) Credit Plan and Budget is **approved**. The information provided with this letter is based on a review of the plan conducted in February 2016. Each plan was reviewed by a three-member team comprising representatives of key constituent groups from the California Community Colleges. The plans were categorized into three groups: approved, approved with notations, and disapproved.

The attached Plan Review form includes comments from the review team. All comments are anonymous. Please review the comments and feedback provided by the Plan Review team prior to the completion of your 2016-17 plan and budget.

The Chancellor's Office recognizes and appreciates the significant effort required by the colleges and districts to comply with mandates for SSSP under the Student Success Act and to ensure that SSSP plans and budgets are focused on the provision of core services as outlined in title 5 sections 55500 – 55534.
