12:02:39 From Yuetong Zhang to Everyone : Thank you all so much for joining us today!

12:03:17 From Kyle Pascoe to Everyone : Thank you for having us be a part of this focus group

12:05:07 From Yuetong Zhang to Everyone : Name? Why did you choose De Anza College? Your favorite place on campus to study and why? Your favorite place on campus to socialize and why?

12:06:36 From Yuetong Zhang to Everyone : If you've never been on campus, think about places that might help you study and socialize and how would it feel in those spaces?

12:10:40 From Kimberly Lam to Everyone : If there's anything specific about these spaces on campus that make them feel more welcoming or fit for it's function for you, please share in your comments!

12:10:48 From Yuetong Zhang to Everyone : In the spaces that you like at De Anza, what is the feeling that you get there that makes you like it?

12:10:48 From Kimberly Lam to Everyone : Comments in chat are welcome as well :)

12:13:59 From Yuetong Zhang to Everyone : <https://www.deanza.edu/maps-and-tours/>

12:14:06 From Yuetong Zhang to Everyone : Here is a campus map if you need a reminder!

12:14:50 From Michelle Doan to Everyone : I am not a typical student, and actually a staff here. I join this group because I am taking a class this quarter. I like to see more "socialized spaces" around the science center so students could hang out short period of time before going to the next class.

12:16:44 From Tejhasvi Jaikumar (Teju) to Everyone : I chose to study in De Anza College to transfer. I like to study in the library & Le Café. I also like to use the conference rooms for group study. I like to socialize in the cafeteria, & Le Café.

12:17:30 From Yuetong Zhang to Everyone : Where do you feel a sense of belonging and why?

12:17:38 From Yuetong Zhang to Everyone : Think about the communities, departments, groups that you're part of

12:17:50 From Kimberly Lam to Pippa Gibson(Direct Message) : my internet is weak, so I'll be rejoining on a different device, hope that's okay!

12:18:15 From Yuetong Zhang to Everyone : What are the spaces about and what makes the places special?

12:19:47 From Tejhasvi Jaikumar (Teju) to Everyone : Le Café – I like the small environment, where I feel relaxed, rejuvenated to study & socialize with friends.

12:20:16 From Yuetong Zhang to Everyone : Great point at the services, Kyle!

12:21:33 From Yuetong Zhang to Everyone : Where do you feel a sense of belonging. You can think about the communities, departments, groups that you're part of-- What are the spaces about and what makes the places special?

12:22:05 From Yuetong Zhang to Everyone : <https://www.deanza.edu/services/>

12:22:12 From Kimberly Lam to Everyone : Feel free to comment in chat like many others have done, if you don't want to unmute and speak :)

12:22:40 From Yuetong Zhang to Everyone : Is there any place where you feel less welcome and why?

12:23:11 From Tejhasvi Jaikumar (Teju) to Everyone : There are no places that I can think of where I don't feel welcome.

12:24:54 From Michelle Doan to Everyone : Is there some places or community that staff, faculty and students can hang out to build connection and relationship. We have places for either staff or students but not staff and student together.

12:25:01 From Kimberly Lam to Everyone : This can be about spaces you feel might need renovating or just in general spaces you think can be improved

12:25:07 From Yuetong Zhang to Everyone : ^^

12:25:50 From Kimberly Lam to Everyone : Really good point Liz

12:28:12 From Kimberly Lam to Everyone : What types of resources or spaces would you like to see on campus to support you being successful?

12:28:54 From Tejhasvi Jaikumar (Teju) to Everyone : The parking lots need to have more lighting, for safer travel at night.

12:29:16 From Yuetong Zhang to Everyone : What do you use in terms of services on campus?

12:29:29 From Yuetong Zhang to Everyone : Think about the services you use now that are online. How would you want to receive those services when we return to campus?

12:29:59 From Kimberly Lam to Everyone : You can also think of resources that may not already be on campus, but you would like to see added!

12:31:36 From Tejhasvi Jaikumar (Teju) to Everyone : I would also like to see more options for students & faculty to have on-campus housing.

12:33:21 From Pippa Gibson to Yuetong Zhang(Direct Message) : Accessibility to the open media lab in LCW and MLC is poor as one is upstairs and the other is in the basement.

12:33:50 From Yuetong Zhang to Everyone : Food pantry:
https://www.deanza.edu/outreach/food_pantry.html

12:34:27 From Kimberly Lam to Everyone : Accessibility of resources is also really important, so thank you for mentioning that and houseless students, Liz.

12:35:13 From Michelle Doan to Everyone : Need more mini printing centers where students can access quickly for printing. It could be in the S4 building. Chemistry and biology students need to print lab reports early like 7:30AM when library is not open yet.

12:35:30 From Liz Mullen (she/her) to Everyone : I've seen the mobile food pantry emails, and this is awesome, i guess i was thinking more like a permanent fixture that could be easily used for people to get a quick snack between classes, and/or drop off extra snacks they didn't even up eating etc.

12:36:17 From Kimberly Lam to Everyone : Love that Liz! I know when we were on campus, there was a permanent Food Pantry, and there was also food dropped off at places like the East Cottage for students.

12:36:30 From Jeron Jones to Everyone : Today the food pantry is on campus from 1-330

12:36:43 From Yuetong Zhang to Everyone : Thank you, Jeron!

12:36:53 From Kimberly Lam to Everyone : There's also food cards if students forgot their lunch they can redeem at the cafeteria, which is guaranteed and free up at least once per quarter!

12:37:07 From Yuetong Zhang to Everyone : We will also save the chat at the end of the session :))

12:38:02 From Yuetong Zhang to Everyone : Do you know where resources are located?

12:38:09 From Yuetong Zhang to Everyone : Which ones do you use most often?

12:38:18 From Yuetong Zhang to Everyone : <https://www.deanza.edu/services/>

12:39:16 From Tejhasvi Jaikumar (Teju) to Everyone : Yes, I'm aware of where the resources are located.

12:40:22 From Kimberly Lam to Everyone : Are there any resources you didn't know about before? Or resources you wanted to utilize, but couldn't find or get to?

12:40:44 From Yuetong Zhang to Everyone : The services you use now that are online will go back on-campus one day. How would you want to receive those services when we return to campus?

12:41:29 From Kimberly Lam to Everyone : Some general guidelines you can think of in regards to resources: Basic Needs, Financial Assistance, Academic Assistance, and Equity/Diversity needs

12:41:42 From Yuetong Zhang to Everyone : ^^

12:42:27 From Yuetong Zhang to Everyone : You can also direct message me or Kimberly if you would like to add anything!

12:42:38 From Liz Mullen (she/her) to Everyone : exactly what Teju is saying

12:42:40 From Kimberly Lam to Everyone : Yes! Private chats are always welcome :)

12:43:04 From Liz Mullen (she/her) to Everyone : like dropping in just for help on one problem i got stuck on, etc. instead of feeling obligated to stay for a whole session

12:43:25 From Kimberly Lam to Everyone : Thanks for mentioning that Kyle! I think DSS and Psych Services have been much more accessible for many students

12:43:47 From Liz Mullen (she/her) to Everyone : yes +1 for psych services being easier on zoom

12:43:55 From Yuetong Zhang to Everyone : And there is privacy over Zoom too

12:44:05 From Tejhasvi Jaikumar (Teju) to Everyone : I agree with Kyle, Liz on the tutoring sessions.

12:44:40 From Yuetong Zhang to Everyone : Examples: Basic Needs, Financial Assistance, Academic Assistance, and Equity/Diversity needs

12:45:32 From Kimberly Lam to Everyone : Thanks Yuetong, groups like Men of Color, JMRR, VIDA/FAPAC can be mentioned here too

12:45:50 From Kyle Pascoe to Everyone : Financial Assistance has helped me with workshops online, which I never took advantage of in person. I would love to see live workshops as well as online workshops when we are back on campus

12:46:28 From Yuetong Zhang to Everyone : Thank you Kyle!

12:47:43 From Kimberly Lam to Everyone : The East Cottage has one!

12:47:44 From Pippa Gibson to Yuetong Zhang(Direct Message) : What about ADA bathrooms? Are there enough?

12:47:53 From Tejhasvi Jaikumar (Teju) to Everyone : As an FA PAC intern, I have enjoyed attending meetings online.

12:48:58 From Kimberly Lam to Everyone : As Yuetong mentioned, you can mention things specific to your major or interests!

12:49:14 From Kimberly Lam to Everyone : For example, last week during the session I attended, I mentioned practice rooms for music practice

12:50:19 From Pippa Gibson to Yuetong Zhang(Direct Message) : Can we have larger toilet stalls? They are too small. RSS & campus center upstairs stalls are is really tiny.

12:50:51 From Michelle Doan to Everyone : I think we need the information booklet of services attached to the map directory area. In the middle of the campus, sometimes I wanted to guide a "lost" student to the correct place, I don't have access to computer for information.

12:51:56 From Kimberly Lam to Everyone : No worries, Kyle! I also feel the distance between buildings can be difficult, especially if you have two classes across campus in location, you sorta have to run

12:53:20 From Pippa Gibson to Yuetong Zhang(Direct Message) : Yes CTE has a program that connects students

12:54:48 From Pippa Gibson to Everyone : Career training site <https://www.deanza.edu/career-training/>

12:55:23 From Kimberly Lam to Everyone : De Anza is also trying to work on their Guided Pathways program in order to better support students, especially those who are unsure about their major :)

12:55:33 From Kimberly Lam to Everyone : Thanks for that link, Pippa

12:55:51 From Yuetong Zhang to Everyone : Guided Pathways: <https://www.deanza.edu/guided-pathways/>

12:57:12 From Michelle Doan to Everyone : Classrooms on the second floor of science center 2 need overhand so students can weather the rain while waiting to get in the class

12:58:04 From Yuetong Zhang to Everyone : Euphrat!

12:58:34 From Kimberly Lam to Everyone : Never been :(

12:59:00 From Kyle Pascoe to Everyone : It's really nice! I love the free museum

12:59:19 From Kimberly Lam to Everyone : Must go when campus reopens! Thanks for mentioning that Kyle

12:59:20 From Yuetong Zhang to Everyone : And it would be a great opportunity to arts students too!

12:59:24 From Yuetong Zhang to Everyone : for*

13:00:51 From Kimberly Lam to Everyone : Thank you so much everyone!!!
