Subject: Music Major Students and Previously Attended High Schools

This reports provides information on the high school origin of 1,226 students who have declared a music major and were enrolled at De Anza anytime between 2015 and 2019. High school information was based on self-reported data that was collected through CCCApply. Search results were filtered to only include high schools located in the United States. The top three most frequently reported high schools attended by music major students were Cupertino High School, Homestead High School, and Silver Creek High School.
