

## Memory

Please list the members of your adjunct study group and note each person's phone number and email. Create a simple mnemonic devise (a memory clue) to help you remember each person's name.

- *Association*: Connect the names to an object, physical feature, job or other trigger word
- *Acrostic*: Make a sentence from the first letter of each name
- *Acronym*: Make a work from the first letter of each name
- *Pictures*: Use a picture to represent a name
- *Rhyme*: Attach the name to another word that sounds the same

<i>Name</i>	<i>Phone</i>	<i>Email</i>	<i>Your Mnemonic Device</i>
